Sir,

I am directed to say that the Government of India, with the concurrence of the Government of Bihar, appoint you, under section 24 of the Mines Act, 1952 (Copy enclosed) to hold an enquiry into the causes of and circumstances attending the accident which occurred at the Swang Railway Colliery in the Hazaribagh Sub-Division on the 8th January, 1954. The Government of India also appoint the following persons to act as assessors in holding the inquiry:—

- (i) Shri S. S. Grewal, Chief Inspector of Mines in India, Dhanbad.
- (ii) Shri D. R. Bagroy, Superintendent of Collieries, Giridih.

Shri Dubey will also be entitled to travelling allowance at rates admissible to first grade officers of the Central Government for journeys which he may perform in connection with the inquiry but to no halting allowance. Shri Grewal and Shri Bagroy will draw usual travelling and daily allowances as admissible under the normal rules.

3. I am to request that the inquiry may kindly be started immediately and your report stating the causes of the accident and the circumstances thereof, together with your observations and those, if any, of the assessors, submitted to the Government of India as early as possible and in any case not later than the 31st August, 1954.

Yours Faithfully,
(Sd.) A. P. VEERA RAGHAVAN, Under Secy.

ANNEXURE III-A

Before the Court holding enquiry into the accident which took place at Sawang Colliery on the 8th January 1954 the humble petition of—

1. M. C. Mukherjee, Jr. Overman,
2. Md. Mohinddin, Jr. Overman,
3. Samarendranath Mukherjee, Sirdar,
4. N. L. Singh, Sirdar,
5. A. R. Sen, ex-Sirdar of Sawang Colliery.

most respectfully sheweth:—

1. This Court has been enquiring into the causes of and circumstances attending the aforesaid accident and that the enquiry has been started from the 26th July 1954.
2. That the matter is still *sub-judice* pending investigation by this Court.
3. That this accident occurred on the 8th January 1954.

4. That more than six months after the date of this accident the Inspector of Mines No. 1 Circle, Dhanbad, by his letter dated the 21st July 1954 passed orders for suspension of the certificates of your petitioners and this order was communicated to your petitioners on the 25th July 1954.
5. That your petitioners submit that this order of suspension passed immediately before the commencement of this enquiry has seriously prejudiced the cause of your petitioners and is likely to interfere with the course of justice.
6. That your petitioners further submit that this order of suspension passed at this stage affects your petitioners and your petitioners apprehend that independent witnesses of this colliery will fear to come forward to depose about the true state of things which would be favourable to your petitioners' cause.

In the circumstances your petitioners pray that your honour would be graciously pleased to direct the Inspector of No. 1 Circle to stay execution of order of suspension pending disposal of the present investigation by this Court and be also pleased to pass order such further orders as may be deemed fit and proper.

And for this act of kindness your petitioners shall ever pray.

(Sd.) 1. M. C. MUKHERJEE,
 (Sd.) 2. Md. MOHINDDIN,
 (Sd.) 3. SAMARENDRANATH MUKHERJEE,
 (Sd.) 4. N. L. SINGH,
 (Sd.) 5. A. R. SEN.

Dated Sawang Colliery, the 27th July, 1954.

ANNEXURE III-B

Perused the petition dated the 27th July 1954 filed on behalf of M. C. Mukherji, Md. Mohinuddin, Samarendra Mukherji, N. L. Singh and A. R. Sen. It appears that the Inspector of Mines No. 1 Circle, Dhanbad by his letter dated 21st July 1954 has passed orders for suspension of the petitioners' certificates and the same have been communicated to the petitioners. The petitioners have submitted that the order of suspension passed immediately before the commencement of the enquiry under section 24 of the Mines Act has seriously prejudiced their case and is likely to interfere with the course of justice. The petitioners have added that prejudice to this case or failure of justice will arise from the fact that independent witnesses "will fear to come forward to depose about the true state of things which would be favourable to your petitioners' cause. The petitioners have prayed that the Inspector of Mines No. 1 Circle, be directed to stay execution of order of suspension pending disposal of the present investigation by this Court."

Inspector of Mines No. 1 Circle, Dhanbad has apparently, passed the order under regulation 49 of the Indian Coal Mines Regulation. This regulation reads as follows:—

"If, in the opinion of an Inspector, a person to whom a Sirdar's certificate has been granted is guilty of misconduct or incompetence in the discharge of his duties, the Inspector may suspend the certificate. Every such suspension shall be reported forthwith to the Board of Examiners and the Board shall thereupon, after such inquiry as it thinks fit, either remove or extend the suspension or cancel the certificate, and the decision of the Board shall be final."

It appears that the Inspector of Mines has to take action under this regulation in his executive capacity, though under a statute, as distinguished from a judicial capacity. There is nothing in regulation 49 to show that the Inspector of Mines constitutes a court or a court of enquiry and as such *prima facie* he would not be competent to pass any order under regulation 49, or, for the matter of that any other regulation, as may tend to or as may be likely to tend to failure of justice. The Inspector of Mines also apparently is not competent to pass any order as may detract from the dispensation of justice or from the submission of a judicial report by this court of enquiry. It is not clear if the Inspector of Mines has passed the order suspending the certificates of the petitioners after knowing that the Government of India have appointed this court of enquiry to report on this accident as contemplated in section of the Mines Act, 1952 or in complete ignorance of the same and there are also no material before this court of enquiry as may indicate that the Inspector of Mines would be ready to take steps to remove

whatever impression might have been created that justice is not likely to be dispensed as a result of the labours by this court of enquiry. It may, therefore, be advisable to serve a notice on the Inspector of Mines No. 1 Circle, Dhanbad to clarify his position. If he clarifies the position to the satisfaction of this court of enquiry, further enquiry may be made from the next date; otherwise a reference may have to be made to the Hon'ble High Court. At any rate, as the position is, no witnesses can be examined today. Let a notice be served on the Inspector of Mines for clarifying his position before this court of enquiry on the 8th August 1954 at 9 A.M.

(Sd.) P. C. BHAGAT,
Deputy Commissioner, Hazaribagh.

ANNEXURE III-C

Before the court of enquiry under section 24 of Mines Act, 1952.

The humble petition of Shri S. L. Chakravarty, Inspector of Mines, No. 1 Circle, Dhanbad.

Most respectfully sheweth,

1. that your petitioner regret that he suspended the certificate of the junior Overman and the shift Sirdar in connection with the fatal accident to seven persons employed at Sawang Colliery, on the 8th January 1954;
2. that your petitioner had no intention to do any thing by way of contempt to the Court of Enquiry;
3. that the orders of suspension has since been withdrawn;
4. that your petitioner tenders an unqualified apology to the Court and prays that the apology may be accepted and the rule for contempt may be discharged.

Under the circumstances it is prayed that your petitioner's apology may be accepted and the proceeding against your petitioner may be dropped.

And your petitioner shall ever pray.
